

**PENNCREST School District
Global Connect Telephone Contact Information
2008-2009**

Name of Student _____ School Building _____ Grade _____

Address _____ City _____ Zip Code _____

Home Phone Number: _____

In order to update our records and provide this communication tool most effectively, we need you to provide specific telephone contact information by completing this form. You may enter up to three contact phone numbers in their order of priority for emergency situations. The communications system will dial the telephone numbers in the order which you provide them until someone answers the telephone. Keep in mind that the numbers that you provide may also be needed for possible early dismissal so choose the numbers accordingly. Please note that the system will not call phone numbers with extensions, so make sure that if you have a work number listed above that it is a direct line. **Please print clearly.**
