RE: *2019-2020 School Closure*

Today, Governor Wolf has ordered the closure of all K-12 schools and programs, public and private, through the end of the 2019-2020 academic year. Pennsylvania Pre-K Counts, Head Start Supplemental Assistance Programs and Preschool Early Intervention programs will also remain closed, and institutions of higher education are prohibited from offering in-person instruction. All of these decisions were made in consultation with the Secretary of Health, based on the most recent information regarding COVID-19 as it relates to the health, safety, and welfare of students, school staff, and communities.

At this time no other information is available. **The PENNCREST School District will continue to implement our Continuity of Education Plan.** Planned instruction will occur online and/or in-home via deliverables or packets for our youngest students.

Information, direction and guidance will undoubtedly be forthcoming from the PA Department of Education regarding PIAA Spring seasons, Graduation and Prom. **We will communicate again next week.**
