RE: *Public Announcement - Student-Athlete positive COVID-19 test*

On Sunday, August 9th, we were informed by the Erie County Health Department that a student-athlete from the Cambridge Springs girls' soccer team tested positive for Covid-19. The Erie County Health Department is following the established contact tracing protocols for all close contacts, which is defined as 6 feet for 15 minutes. We strongly recommend all individuals who were identified as a close contact by the Erie County Health Department or the PA Department of Health adhere to their recommendations and guidance.

The Cambridge Springs girls' soccer team open gyms and optional workouts are **cancelled until August 20, 2020.**

Symptoms of Covid-19 may include, but are not limited to, fever or chills, cough, sore throat, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, or new loss of taste or smell. We recommend that students stay home and parents contact health care professionals if demonstrating any of the signs or symptoms outlined above.
