RE: *Clarification on travel to a "Hot Spot"*

In order to help families plan for the upcoming holiday season, we need to reinforce travel guidance from the PA Department of Health.

<https://www.health.pa.gov/topics/disease/coronavirus/Pages/Travelers.aspx>

PA Department of Health

If you have traveled, or plan to travel, to an area where there are high amounts of COVID-19 cases, it is recommended that you stay at home for 14 days upon return to Pennsylvania. If you travel to the following states, it is recommended that you quarantine for 14 days upon return:

As of 10/23/20

Alabama, Alaska, Arkansas, Florida, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, North Carolina, North Dakota, Oklahoma, South Carolina, South Dakota, Tennessee, Utah, Wisconsin, Wyoming

Despite this being a recommendation, all PENNCREST schools will continue to enforce a 14 day quarantine for individuals who travel to a state indicated as having high COVID-19 rates.

There may be exceptions to this guidance based on mode of travel and activity. *Example:* I flew to Chicago, Illinois for a bachelor party and wedding vs. I drove to Southern Illinois to archery hunt for deer. Please contact building principals with questions.
